

# GBC CONSUMER MOBILE 6.0 APP UPDATE

Our Consumer Mobile App has been updated to bring you even more accessibility and control for banking on the go! Experience the fresh look and effectively manage your personal finances with these streamlined, **USER-FRIENDLY FEATURES**.

## FASTER APP NAVIGATION:

A navigation bar is now present across the entire app for fast, easy commonly used features.

## SECURITY & AUTHENTICATION:

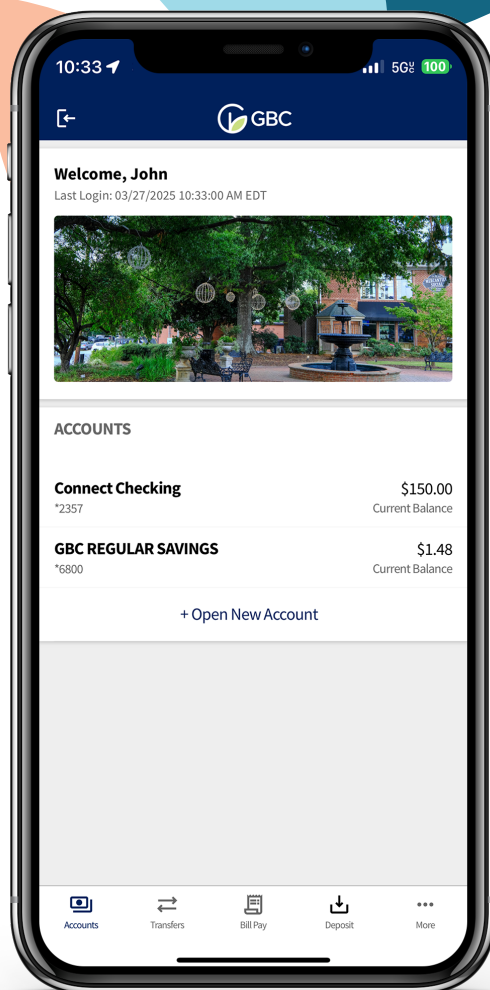

Login and authentication functionality has been enhanced to provide better security, including biometrics and forgotten password or username.

## MONEY MOVEMENT:

Enhanced transfer functionality to include external transfer.

## ACCOUNTS & TRANSACTIONS:

An improved account and transaction experience including running balance and more transaction detail. View images of checks and deposits.

## STATEMENTS:

Ability to view, print or download Statements and manage delivery settings.

## DEBIT CARD CONTROLS:

With this GBC app update, users will need to add their Debit Card to Card Controls and select preferences.
